

## Speaking Clearly Practice Worksheet

**Instructions:** Practice the following prompts by over-articulating. Make sure you speak each sound clearly and precisely. Speak loud enough to be heard by your partner. Then, try to remember to speak clearly like this during other situations as well.

### 1. Single Words:

Cat alligator butterfly refrigerator simple excellent basketball

### 2. Short Phrases:

Short stories extra innings my super summer Ella's long list

### 3. Sentences:

Sometimes I sip punch by the pool. Anything is possible when you try.  
I love eating watermelon by the spoonful.

### 4. Structured Conversation: Use your clear, loud speech to do the following...

- Tell all of the steps to a familiar sequence
- Tell about a past event
- Make up a short story
- Answer open-ended questions (what would you do if...)

### 5. Practice Clear Speech in Other Settings:

Practice using your clear speech during conversations with friends. If you notice someone looking confused, don't forget to start using clear, loud speech so they can understand you!
